Revised plans Autumn Statement 2011. Subject to legislation

NOTES

State pension age for men born before 6 December 1953 is their 65th birthday.
 The rise to 66 for men and women was brought forward from 2024/26 originally laid down in Pensions Act 2007.
 The rise to 67 for men and women was brought forward from 2034/36 originally laid down in Pensions Act 2007.
 A further rise to 68 is still in place to happen in 2044/46 (Pensions Act 2007) but will probably be brought forward.
 The pension is not paid until the day of the week which falls on the next pay day after reaching state pension age.
 Pay day depends on the person's National Insurance number and can be up to 6 days after state pension age.
